

Lesson Plans

April 2-6, 2018

In Reading this week, we will review skills for the ACT Aspire test. We will also begin discussing Historical Fiction writing and books. Language skills will also be reviewed. Writing lessons will center around narrative writing practice.

Spelling words will cover ed and ing words when the final consonant is doubled before adding an ending and when the word ends in silent e. A test will be given Thursday since we will be gone Friday for our field trip to the Pink Palace in Memphis.
