

## **Lesson Plans**

### **February 19-23, 2018**

This week the students will begin putting their reading and research together to create an informational paper about the person/event/place they have been studying. Diorama work will be completed and questions will be reviewed.

The writing process will be developed using the research and information the students have gathered. Notetaking, summary, and writing content will be revisited.

Reading skills to be reviewed include first person, third person writing, point of view, main idea, and text features.

Word sort will include syllables with patterns such as VCC/CV (athlete), VC/CCV (pilgrim), V/V (poet). Quiz will be Friday.

Please remember to send your permission slip for the Pink Palace and either a partial payment or full payment.
